My friend Giorgio came by today to take some head sots and modeling photos for my new zed card. I did my own hair and makeup and put on a maroon dress. Then we went in the back yard and took some bikini pics, then back inside for some rather risqué photos that I probably won't put on my card. But they were so hot, I'm willing to show them to you.

THE SHERIFF'S KID GONE WILD

It's not that I wanted to remain a virgin till I was 18.

That certainly was never my wish. I had the same needs as my wilder friends, the same itch deep in my horny little pussy, the same tingle in my boobies whenever some guy kissed me and slipped me a little tongue. I also had the same curiosity about what sex—real sex, not just groping around in the front seat of a car—was really like.

But real sex takes two people. And none of my boyfriends was willing. Oh, I went through a succession of them, Joey and Tommy and Eddy and John, but they were all too afraid of my father. My boyfriend—whoever that was at the time—would get in the car with me, and I'd snuggle up to him while he was driving. "Why don't you pull over someplace dark?" I'd suggest in the deepest, sexiest voice I could drum up. And maybe he even would.

I'd be as bold as I could be without seeming like a slut. I'd put my hand on the back of his neck and tickle it with my fingertips. I'd kiss his lips, and I'd open my mouth a little bit so he'd get the idea that he could slide his tongue into my mouth real easily. When I felt that tongue come slipping in, I'd suck on it, draw it deeper into my mouth, and shove my upper body against his, so my boobs pressed into his arm and his chest. I knew he could feel how hard my little nips had gotten. I could see that big old bulge straining hard in his pants, trying to burst through the material covering his crotch.

But right about then, the guy would sigh, edge away from me, start the car, and say something like, "Maybe I'd better take you home now, Rache."

It's hell being the sheriff's daughter. Especially in a small town, where everybody knows your daddy.

I couldn't wait till I was 18 and old enough to leave home. I had a plan. I'd move to the nearest city, get a job, get an apartment, and cut loose. And that's just what I did. Mama and Daddy didn't like it one tiny bit…but there was no way they could stop me.

The very first week I was there, I threw a party. I posted a notice downstairs by the mailboxes, inviting all the neighbors, and I asked everyone at work. I also told everyone to bring as many friends as they liked. I figured with all those people there, I'd surely find somebody to relieve me of my cherry.

Did I ever!

Ray and Keith sort of both got the honor. Let me explain. Ray was the first, but he didn't exactly fuck me—he fucked my mouth, which was also a first for me. I guess once you've taken a guy's dick into your mouth, though, you're not exactly entitled to call yourself a virgin anymore. My pussy remained untouched till later in the evening—that was where Keith played his part. But eventually I lost that cherry too.

Ray had come to the party with one of the guys from the office. He started getting cozy with me, and we wound up in a closet…the only private place we could find. But I had no birth control and he didn't have rubbers with him, so he wouldn't fuck me. "We could use our mouths, though," he said.

The closet had a light in it, so I watched in fascination when he took his dick out of his pants. I was nervous putting it in my mouth. I didn't know how it would feel, how it would taste, or if it would choke me. I was real hesitant and approached it very carefully. First I stuck my tongue out and took just a tiny taste. I wanted to do this…oh, I wanted it so badly that my whole body was tight and tense with every muscle hard as marble…but I was still scared. So I took the tiniest taste.

Well, it was weird, real strange, the way it was warm and kind of soft-over-hard, and like nothing I'd ever tasted before. The skin had one flavor, and the oozy stuff coming out of that hole in the tip had another flavor. Together they were really strange but so exciting! My pussy was already so wet I had soaked clean through my panties and was dribbling sex-sauce down my thigh. When I started to lick on that big, hard thing, the sex-juices started flowing. It was like I had a little river coming out of me.

Well, I couldn't help myself then—I just had to finger myself a little, through my soaked panty-crotch, just to satisfy this real strong need I had to make myself feel good. But when Ray looked down and saw where my finger was, he said, "Hey, cut it out—that's my job! Don't worry, baby. I'll take good care of you. I'm not one of those guys who's all take and no give. I'll eat you out good after you get me off."

So I took my finger off my panties, but then I had to keep squeezing my thighs together—anything to give my pussy what it needed. I was just too hot. I couldn't totally ignore my throbbing slit.

Well, meanwhile I was licking up and down the length of his dick, slurping and slobbering, and I sure must have been making him feel good, the way he was moaning. I kept having to shush him up because I didn't want anyone opening up the closet and finding us in there. Then Ray groaned, "Put it in your mouth, baby, please. Suck it some."

I wasn't sure I was ready for that. I was afraid I'd choke or gag. But I wanted to. Oh, I wanted to so badly! So I took a deep breath and let it slide halfway into my mouth. Then I exhaled partway and closed my lips around it.

"Suck, honey. Suck. Suck on it," Ray whispered. His body was kind of rocking back and forth, but he was being real considerate about not ramming that big old piece of meat down my throat. He really let me take it at my own speed.

So I tightened the grip my lips had on his dick,

and I started to really apply some suction while I slurped more of it into my mouth. Well, I got too enthusiastic and took more than I could handle. I gagged and my eyes started to water, but meanwhile I'd gotten a real good idea of why girls like to suck dicks. I mean, until I started gagging, it was really beginning to feel special. Hot. Like, this was something I could get used to doing.

So when I let go to catch my breath, I latched right onto him again. This time I took things a little slower, but I started running my tongue all over the pointy dickhead at the same time I was sucking. Ray was oozing just a ton of that sticky pre-goo into my mouth. And I found I was getting used to the taste. But I was getting so hot from what I was doing that I kept making these little moaning-type noises.

By now he was getting real hot. When I looked up at his face, I could see how it was all scrunched up with his effort to come, and when I touched his leg it was as hard as marble from his muscles being so tense. Then he had another request: "Play with my balls." Well, I'd never touched a guy's nuts before, but his pants and underwear were down at his ankles, so there was nothing to stop me except for my feeling nervous about touching him there.

I took a chance and put my hand under his big sac. The skin there was loose and hairy and sweaty, but when I closed my hand around it carefully and started to squeeze it a little, I felt his balls draw up toward his body. It was the weirdest feeling! And of course, all this time I was still sucking on his meat.

I had more of it in my mouth, too. I had it all the way to the back of my throat now. I was sucking on it real hard and moving my mouth back and forth on it real enthusiastically. And I guess now Ray felt that I was ready to take more, because he started moving back and forth, punching his big dick in and out of my mouth. He kept thrusting it deeper and deeper, so I had to wrap my hand around the base of his shaft to stop him from feeding me more than I could take.

But as long as my hand was wrapped around his dick, I kind of squeezed his fat thing rhythmically and moved my hand up and down a little. And from the way Ray groaned, he sure liked that! He put one hand in my hair and got a good grip on me. Then he started guiding my head back and forth to get me to suck deeper and faster. And he was still powering his pelvis back and forth, making his dick slide in and out of my mouth. I was taking it real easily now, too. I was so proud of myself. I don't know which was better: feeling like I'd finally grown up and was doing big-girl stuff, or just the feel and taste of his big, thick meat in my mouth.

"I'm gonna come," he suddenly warned me. "Will you let me come in your mouth?"

I just nodded my head for Yes. I didn't want to take his meat out of my mouth for even a minute to answer him. Well, he groaned out a warning: "I'm—I'm gonna—oh—ohhhhhhhh!" And I just got ready for what I figured had to be the best surprise I was ever going to get. I really was dying to know what the real stuff tasted like. A second later I found out when his dick started spurting syrup into my mouth like a hose under high pressure. I don't suppose there was really that much stuff there, but for a first-timer like me, it sure felt like a lot. And oh! did it taste wonderful!

I had to gulp to keep up with the flow, and a little bit of it trickled out the corner of my mouth and down my chin. But I scraped it up with my index finger, and after I was sure I'd drained every last drop from Ray's wilting hose, I let go of his dick and licked the drops off my finger. But not till I was sure there was nothing more in the original source.

My hand was still on his ballbag, and I was squeezing those big, manly nuts. They seemed to have shrunk or gone up into his body or something, but the hairs tickled my palm. There was something so hot and sexy about holding a pair of nuts in my hand for the first time. Just thinking the word "nuts" seemed so dirty and bad and wonderful. I felt like I was being so wicked and so grown-up by doing what I'd done. But there was more! Ray had promised to go down on me when I was finished sucking him off. And now was the time.

I still had all his stuff in my mouth. It tasted so good that I didn't want to swallow and lose the flavor. But by now the flavor was pretty well diluted with my spit anyhow. So I reluctantly swallowed. Then Ray said, "Stand up, and I'll crouch down. It's the only way we're gonna be able to manage in this closet." So I stood. My leg muscles were sore and cramped. And Ray crouched down and lifted my skirt and pulled my panties down. Then I felt his tongue touch my clit, and I swear I came immediately!

No shit! He touched me once and I started to tremble. Well, I knew it was a climax, because I'd certainly given myself enough orgasms with my finger in bed at night, but I'd never come instantly like that, and I'd certainly never felt this good when I did it to myself!

Even while I was coming, I knew I had another one in me. So as I shook and trembled and shuddered and groaned, I said, "Don't stop. I need to… you know…again. Keep going…please."

I was embarrassed to say it, and I felt so wild and brazen, but I liked that I was being wicked. It was such a change. But never again did I have to be Daddy's good girl. Ray didn't even know my father. He wasn't at all afraid to do all kinds of wicked, nasty things in that closet…like putting his tongue up against my slit and licking me till my legs started to quiver like they were going to give way under me.

I put my hand on the top of his head and held on as I built up to another major eruption, and then I shoved my pussy up against his face and bathed him in the massive outpouring of my juices. And a few seconds later, with my pelvis pressed forward and Ray's tongue firmly latched onto my clit, I came.

I pulled his hair. I screeched. I didn't care who opened the closet door and saw us. I was announcing to the world that I was no longer a virgin. My pussy was unbreached, it's true, but a man had had carnal knowledge of the most intimate kind. After that, anything else would be anticlimactic.

In fact, when Keith deflowered me (in his apartment down the hall, while the party revelry went on minus the hostess) half an hour later, it was almost an anticlimax. Or maybe that's a poor choice of words, since I certainly did have another orgasm. But I felt I had lost my cherry in that closet, when my mouth and Ray's dick, then Ray's mouth and my pussy, had intimate knowledge of each other.

I was no longer the sheriff's little girl. I was a free, grown, totally sexual woman. And I was loving every minute of it while I looked forward to a lot more fun!

AUGUST

When I found out my guy was coming home from serving, I wanted to give him the biggest surprise and best fuck of his life. So after he was discharged from the base, I told him to rush home and I met him totally naked. Before even he said hello, I was up on the kitchen counter, legs spread and he burrowed down there and started licking. I returned the favor and we fucked throughout the house as I gave him the best fuck of his life.

JENNIFER & TARA

Jenni called last week and wanted to set up an appointment for a massage. We set up a time and she was prompt. I had massaged her three or four times before but today was going to be something different. Right from the start I could tell. Jenni would usually just leave her panties on and throw a towel over herself. Today, she just plunked on the table totally naked. No panties, no towel.

REGULAR WAGES AND A TIP

I'd cleaned 17B at least eight times, and I'd never so much as seen the guy who lived there. That's why it's so weird that last Thursday, at the regular time, I found this guy at home—and 10 minutes later, his hard cock was all the way up my pussy and I was screaming for more! It's not your typical housecleaner's story, I can tell you!

He wasn't circumcised. Isn't that weird? Of course, I've seen only two other cocks—Aaron's and Peter's—and I've felt only one other cock stuffed up my pussy—Aaron's!—but still, it seemed weird to see all that extra skin. I would have thought it would be gross. But it was just the opposite: it was really sexy. I mean, seeing that big hard cock of his with all that extra wrapping…that was one of the things that made my pussy so wet.

It was really sexy how he rubbed against me from behind while he was playing with my boobs. Aaron never did that. It made me hornier than ever because he was pinching my nipples, and that made me really really turned on. At the same time, I could feel that big cock rubbing on my butt like it wanted to get inside me from behind, and that was a real turn-on too. They worked together, and my pussy was just gushing, I was so turned on.

When he turned me around and kissed me, he kept groping and squeezing and kneading my butt, and the way he was rubbing me pulled the skin in my crotch and made my clit tingle. So that was a huge turn-on, too. Not to mention the way he kissed, which was better than not only Aaron but lots of guys.

Rob is his name, and he's so sexy it makes my pussy wet, even if he's pretty old. Twenty-eight, if you can believe it. But the way his hard cock was twitching and pushing against my butt when he was fondling my boobs, you'd know he wasn't showing any signs of aging.

He put me onto the bed on my hands and knees and fucked me from behind, doggy-style, only I didn't feel like a dog! I felt like a huge giant clit, just feeling so good everywhere as that hard cock pushed into my pussy from behind. I was really wet from being so excited, and when Rob started pumping his hard cock in and out of my pussy, you could hear my pussy slurping and sloshing. It was sexy as hell.

Every time his cock moved in my pussy, it rubbed all these places that feel so good. And the more he rubbed, the more the good feelings spread. About three minutes after he started fucking my pussy from behind, doggy-style, the heat spread all through me. My arms went so weak that I almost fell forward.

EVERY TIME HIS COCK MOVED IN MY PUSSY, IT RUBBED ALL THE RIGHT PLACES THAT FEEL SO GOOD.

Rob was a fantastic lover. He grabbed my boobs and pinched my nipples while he was fucking my pussy, and it was like all the good feelings were suddenly twice as good and twice as big. The places where his uncircumcised cock (I feel so sophisticated to know I've had this uncircumcised cock reaming out my pussy!) rubbed my pussy got hotter and hotter, and I got dizzy from how great it felt to have Rob fucking my pussy from behind.

But doggy-style wasn't the only thing Rob wanted to do with the cleaning girl. He pulled his cock out of my wet pussy with a slurping sound, rolled me onto my back, and rammed every inch of his cock into my pussy. I was so wet that his whole cock rushed right into my pussy with that first thrust. Rob sort of shuddered and gasped, "God, your pussy's so fucking tight!" That made me feel sexy, too, because you could tell that Rob thought that I felt really great, wrapped around his uncircumcised cock.

BLAIR-NTS-09

Now Rob slung my legs up over his shoulders and fucked my pussy really hard and fast. He fucked me so hard I could feel his balls slapping against my butt every time he drove that hard cock into my pussy.

Then he did an incredible thing, something Aaron never did. He rammed his cock all the way into my pussy and held it there. He jammed himself up there, pressing so deep into me that the whole front of his crotch pushed against my clit. It felt so good! Then he began to grind himself against me. I mean, not fucking in and out like he had been, but keeping the pressure on my clit and grinding in circles, real hard. I thought I was going to explode!

In fact, all of a sudden there was nothing in the universe except the feel of him grinding against my clit and his cock throbbing inside my pussy and my knowing that I was going to come in five…four…three…two…ohmigod one!

Pow! I came like it was the end of the world, and he kept grinding against my clit, and I kept coming even while he got stiff and moaned and squirted his juice inside my pussy. Feeling him come inside me made the fire in my clit even hotter, and I came for a long, long time.

Afterward, Rob's juice dribbled out of my pussy and made a big wet spot on the sheet. But I just laughed and told him he should leave it for the housekeeper to take care of!

Angela, New Jersey

THE LONG HAUL

My parents were products of the Sixties, free-spirited hippies that defied convention. I guess I learned a lot from them because now, at 30 years old, I still love dressing with as little on as possible. One of my favorite free-spirit things to do is driving on the highway and flashing truckers. I have been doing this for twenty years or so and have always had a good time. Sometimes there would be one or two I'd hook up with along the way, but mostly it's just to see them react to my flashing boobs. When I got really bold, I'd drive with a naked bottom and if the trucker was hot enough, I'd get his attention, open my legs, stick a finger in my pussy and lick it sexy-like for him to see. Last week I got the urge big-time to do it, so I took out the big ol' Ford and hit the road.

It was still a little light so I rode a while passing trucks and they would honk and I would wave and they would do nothing else. After many more miles, I pulled off my bra and laid it on the seat and drove past a truck and he followed next to me for a couple miles. He was driving a dark blue 18-wheeler, really nice, and looked like it had a huge sleeper cab on the back, bigger than I had ever seen.

He hit the air horns and signaled to pull in at the next rest area and so I decided to follow him in. He pulled to the back of the huge parking area and I followed him and parked a few yards away. To my surprise, a man and woman got out. Both in good shape and attractive. She had long dark brown hair and a nice hour glass figure with large breasts. He was tall and had a nice beard and strong build and they both walked towards my car. I still had the bra off and had pulled the bottom scarf apart to reveal that I had no panties on.

IT WAS SO THICK THAT MY HANDS COULD NOT FIT AROUND IT AND LONGER THAN I HAVE SEEN ON A MAN.

They got to my car and looked down at me and then back at the woman. "It's sights like this that make the long haul worth it." he said. "Looks like we are in for the night." she said and he agreed. "I'm Frank." he said as she slipped into the passenger seat, "Dana." she said. I answered back, "Joanie. Glad to meet you both." As I sat in the driver's seat, just outside my window, his crotch was at me eye level. I could see his cock was growing and already going down his pants leg. Dana touched my thigh and asked "Joanie, are you up for a little fun?" I nodded and smiled.

Frank then opened the door for me to step out. I did and let the skirt come undone and so stood naked in the night air, my nipples joining the goose bumps I was already feeling. They got hard and then Dana and Frank walked with me between them to their rig. He got in first and then me and then Dana. We climbed into the rear of the cab that was the size of a huge bed and had a shower stall and small kitchen. I looked around and laid on the bed.

"Well, I am starving." I said and undid Frank's pants and pulled them off as his cock sprang out. It was so thick that my hands could not fit around it and longer than I had seen on a man. I moaned at the sight. I pulled the cock to my lips and began licking around the head and trying to get it into my mouth and so managed a couple inches. I became expert at head licking and sucking and spit on it for lube. Dana was behind me and had my tits cupped in her hands making me jump each time she pinched my nipples and soon I had a soaking orgasm on the bed under me.

I was jumping with each pulse of my pussy that needed to have a cock inside and so I told them and laid back – my legs apart. Frank positioned himself on his knees in front of my pussy. I took his massive tool and guided it into my pussy, and it stayed there for a second. Frank began banging me deep and hard with each inward stroke and Dana was kissing and sucking my nipples. He was now al the way in me.

About every 10 strokes I sprayed his cock and balls with an orgasm and then he finally returned the favor. Filling me up till I was sloppy with his cum. Dana moved to get between my legs and her mouth was licking his cum from my pussy. I pulled her up on top of me and began kissing her and grabbing her tits and making sure that she got hotter and hotter. My face was between her legs after a little, and I was licking and fingering her as she had several orgasms one after another.

We moved and I got on all fours. I was so hot and horny that I ordered Dana to put Frank's cock into my ass. "Are you serious?" she said. "Yes, all the way in, come on." and she guided his already hard again cock to the entrance of my ass and spit on it till it was well lubed. His cockhead found my brown hole and he rammed into my ass making me scream. He held my hips to his cock and was all the way in me, and every stroke he did went all the way in. After a long while, his cum filled my ass. I felt it slowly drip out and again Dana was there slurping it all up.

We laid there about a half hour and then I played him back hard again and sat on his cock slowly, making sure he felt every inch slide into my pussy. I rode him like crazy and Dana kept kissing me and sucking my tits as they bounced all over. He filled me again with more long ropes of his cum. Then I got on top of Dana and fucked with her and we did the wonderful scissors and I was able to help her cum a few times.

Now it was time for me to kick back and I put a pillow against a wall and told them I wanted to see them fuck. Dana instantly obliged, got on her hands and knees and went down on Frank. After a couple long slow sucks with extra sucking at the head, he was once again hard as a rock. I watched her try to deep throat him, but she could not match my mouth and throat.

I scooted forward and got under her and put my head up at the action and took his balls in my mouth. My body was under Dana's and I pulled her down onto me so we could rub our boobs together. I moved my tongue up his butt crack and back to his balls. The sweet smell of man-sweat made me hornier again.

Suddenly I felt Frank's legs and butt tighten up and I knew he was about to cum again. Dana increased her pace and my tongue was flying across his underside. She quickly pulled back and he came all over my boobs as Dana stroked him, pulling every last drop of splooge out of his cock. She leaned down and licked it all off me. Sitting up, shed finished licking it off her lips and fingers. Finally, we all laid back in the cab and shared amazing trucker stories until dawn.

I woke first, grabbed my scarf and quietly worked my way to the door over their nude bodies. I wrapped myself, found my car keys, exited the cab and went to my car. I got on the highway and flashed the next trucker I saw.

– Joan, Santa Fe

I RODE HIM LIKE CRAZY AND DANA KEPT KISSING ME AND SUCKING MY TITS AS THEY BOUNCED ALL OVER.

HUNTER

I know I can make an impact when I walk into a room. My boobs lead the way, then the rest of me follows. I know I have a pretty face, and I tend to exude sexuality. I like to dress sexy and talk sexy. But you know what? I got the chops to back it up. My sexual energy is apparent when I fuck a good fuck. Check out my free online video and see!

GIANNA & SARAH

We just wanted to relax the day away, maybe do some yoga and have a kale smoothie afterwards. Then Anthony shows up with this raging hard-on that he says needs quenching. What? We don't just quench a cock without getting something in return. And what did we want in return? We wanted to make that raging cock our bitch, and have him send his splooge into our mouths. If he can do that then we'll make him a smoothie, too.
